My dear Mr. Wydau:

Please advise if we may count on you to take care of us on April 7th next, when we propose to show a film in four reels at 8.30. I am informed that the first of these reels may have become torn or damaged. If you could make an examination of this, bringing with you the material for its repair in case it should prove to be imperfect, I should feel under added obligation to you.

I saw you yesterday afternoon at the Morgan Library, but without an opportunity of greeting you. Your memorandum is being passed for payment tomorrow.

Sincerely yours,

Secretary.

My dear Mr. Wydau:

Since writing asking that you hold April 7th open for us, it has been necessary to change this date to Thursday, April 9th. Perhaps this will be better for you than the first date. At any rate, I hope so.

Sincerely yours,

Secretary.
